DISCOVER THE SHADE SENSE DIFFERENCE

Outdoor Living Redefined

SOPHISTICATED DESIGN

Designed to protect from UV rays, minimize glare, and maintain your view with precision.

CUSTOMIZABLE

Tailored solutions for every residential or commercial outdoor project.

ENHANCED DURABILITY

Corrosion-resistant hardware ensures reliable, long-lasting performance.

WORRY-FREE WARRANTY

Our extensive manufacturer's warranties protect your investment for years, ensuring peace of mind.

ULTIMATE CONVENIENCE

Integrated lighting on our awnings and smart controls deliver effortless operation and enhanced safety.

UNMATCHED VALUE

We deliver innovative, high-quality products at competitive prices to ensure excellent value.

How it Works

OUR EXPERTS TURN YOUR VISION INTO REALITY
WITH PRECISION AND EXPERTISE

1

EXPLORE OUR PRODUCTS

Browse our website for design inspiration and advanced shade solutions for climate-control, privacy, UV protection, and insect protection. Visit shadesenseoutdoor.com.

2

CONSULTATION

Schedule a consultation with a nearby Shade Sense Outdoor dealer for precise measurements and expert advice. They will assist you in choosing the ideal awning or shade.

3

INSTALLATION

Once your order is ready, your authorized Shade Sense Outdoor consultant will coordinate a seamless installation. Our meticulous approach guarantees a flawless, custom fit.

Our Awnings

RETRACTABLE

Retractable awnings span an impressive 9' 6"–40', complemented by standard projection sizes of 8', 10', and 12'.

CROSS-ARM

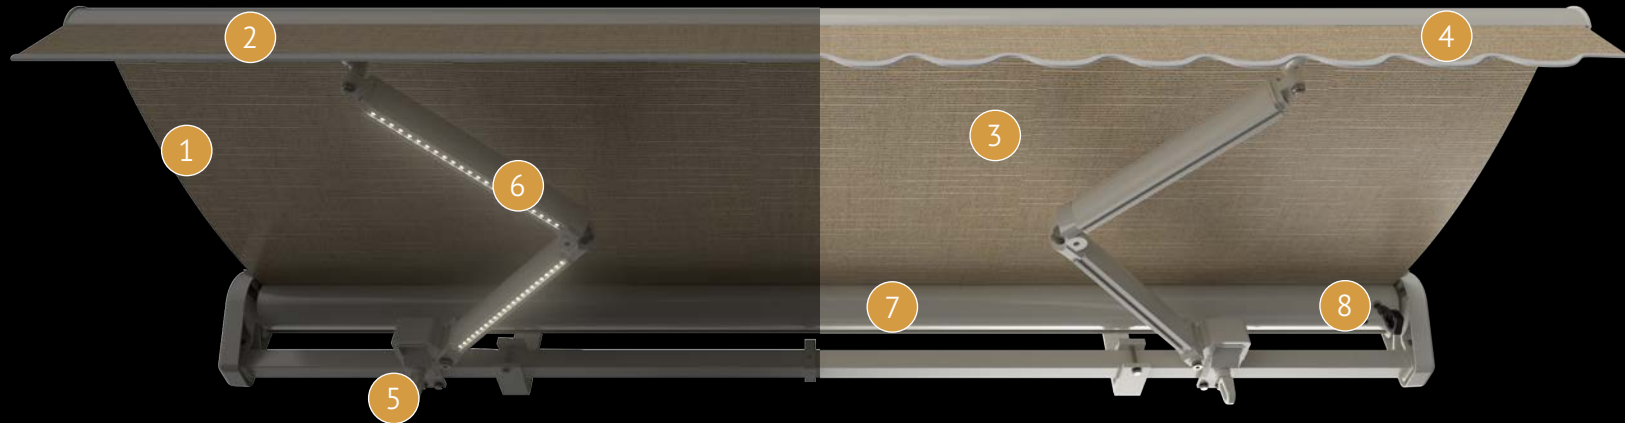

Cross-Arm awnings are crafted for both narrow and deep applications, elegantly spanning widths from 8'–13' 5", accompanied by a 12-foot projection.

WARRANTY

Our awnings come with a comprehensive 10-year warranty that is non-prorated and covers hardware, fabric, and motor.

Premium Features Come Standard

ULTIMATE CONVENIENCE

Operate multiple awnings with a hand-held remote, smartphone, or a single voice command through a home automation system.

1

EXCEPTIONAL FIT & FINISH

Select from straight or sea wave valances for a tailored appearance.

2

FABRICS BY SUNBRELLA®

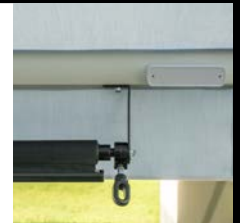

Choose from 30 in-stock fabrics or over 300 custom selections. These premium fabrics provide exceptional UV protection and comply with the highest low-emission standards.

3

FRONT BAR FOR ACCESSORIES

The multi-use front bar accommodates accessories including drop screens, wind sensors, and wind poles, expanding functionality.

4

EZ-PITCH ADJUSTMENT

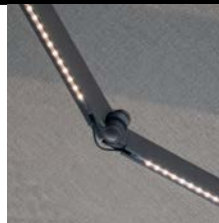

Easily adjust your awning's slope using the included crank and pitch pin for optimal sun protection.

5

BUILT-IN ADJUSTABLE LED LIGHTS

Built-in adjustable LED lights in the arms provide customizable illumination via remote control, with no additional cost or installation required.

6

SEMI-CASSETTE HOUSING

Features anti-corrosion cassette housing that shields fabric from weather, enhancing longevity. Available colors: white, bronze, beige, and black.

7

FULLY MOTORIZED

Our awnings are fully motorized with a wireless remote for your convenience. In the event of a power outage, you can still enjoy control with the manual override feature.

8

**30 IN-STOCK FABRICS WITH OVER 300
CUSTOM FABRIC OPTIONS TO CHOOSE FROM**

Our Exterior Screens

TRADITIONAL

Traditional screens are versatile, providing weather protection, solar use, insect protection, and enhanced privacy while maintaining an unobstructed view.

CABLE-GUIDED

Cable-guided exterior screens shield against sunlight while providing privacy. Designed for versatility, they can be fully motorized or operated with a manual crank.

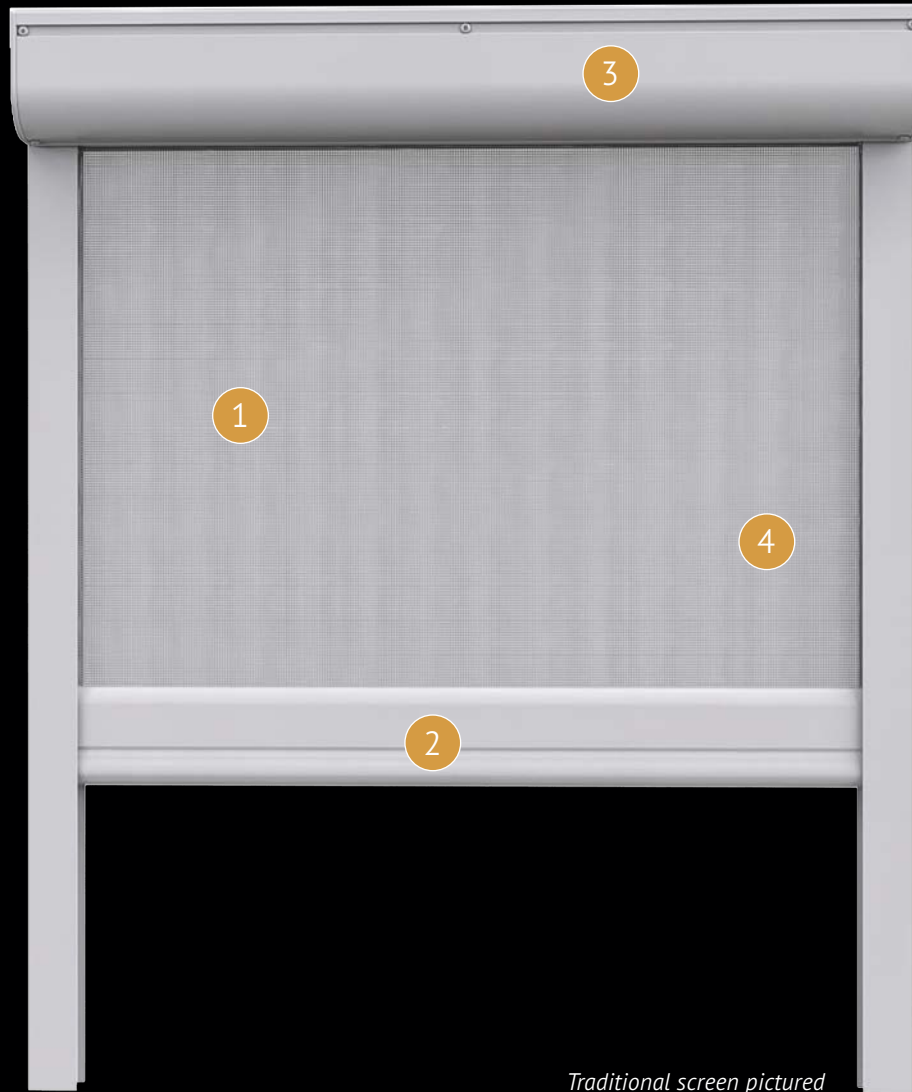

WARRANTY

Limited lifetime warranty

CUSTOM-BUILT

For the Perfect Fit

Traditional screen pictured

1 VARIETY OF FABRIC OPTIONS

We offer premium solar, insect, and privacy fabrics that are engineered to perform in outdoor environments.

2 BOTTOM BARS AND SEALS

Choose from various bottom bar setups in different colors, with brush or rubber seals to block debris. Our HD 2.5 Bar, 2.5 times heavier than the Standard Bar, reduces horizontal deflection by 68%.
