Watch the video

Simple & Elegant Control

With Bond outdoor, you can **enjoy smart fingertip and voice control over a variety of outdoor essentials**, including screens, shades, louvers, heaters, ceiling fans, and even fireplaces. All from a single, easy to use and beautiful app.

With Bond you can control:

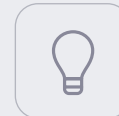

Ceiling
Fans

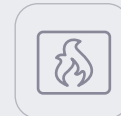

Shades &
Screens

Louvered
Roofs

Lighting

Fireplaces

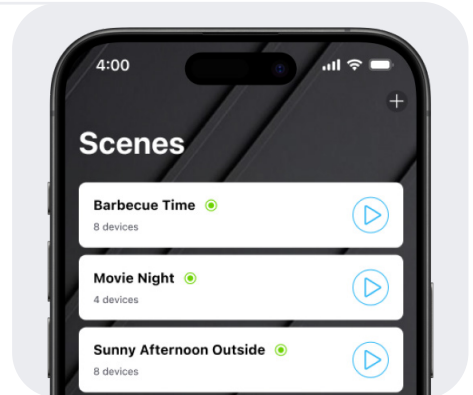

Heaters

A Smarter Lifestyle

Smart Scenes

Create the perfect outdoor setting with Scenes. Whether it's unwinding at sunset or enjoying a bright afternoon, you can easily control and adjust multiple devices to create the perfect atmosphere.

Effortless Automation

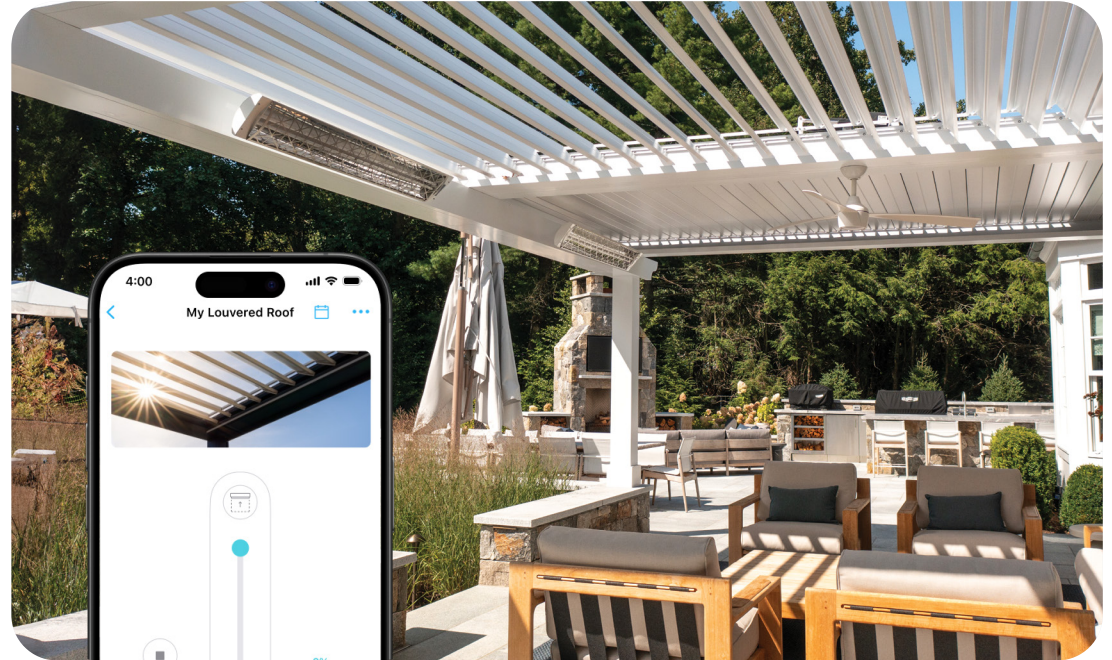

Simplify the control of the outdoors by grouping them together. With just a tap, activate your lights, shades, or fans. Set schedules based on your routine or natural events like sunrise or sunset. Your space, perfectly timed.

Stay in Control

Keypad Control

Our sleek, elegant keypads add a sophisticated touch to any space, offering tactile, intuitive control. Enjoy the ease of a physical interface alongside smart automation for seamless management of your outdoor spaces.

Voice Control

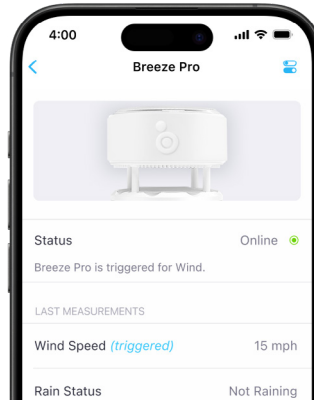

Bond connects effortlessly to your preferred voice assistant, ensuring a smooth operation, even when you don't want to reach for your phone or remote.

Protect Your Investment

Protection from the weather

Our ultrasonic wind sensor automatically adjusts your outdoor devices based on the weather. Closing louvers in the rain and lifting screens in strong winds, the **Bond platform adjusts to protect your space** and will give real-time updates in the BondHome app.

Better Together

The Bond platform is flexible and can be integrated with all major control systems in the market:

Need help?

Our team of specialists is **available 7 days a week, 12 hours a day**, providing live, personalized support.

By choosing Bond, you're not just investing in today—you're **preparing for the future of home automation**. Our platform is open, dependable, and constantly evolving with over-the-air software updates.
